It is your responsibility to pay *Central Coast Mountain Bike Tours Pty Ltd* for all reasonable repair expenses or the complete replacement cost of any damage to the Bike or Equipment you hired (whether due to loss, theft or any other reason).

For your information:

**Hardtail mountain bike replacement value is \$1000.
Dual suspension mountain bike replacement value is \$3000.**

- **Take care and always ride within your own abilities.**

Mountain biking is a potentially dangerous activity involving a significant risk of physical harm or personal injury. At all times listen to the guide. Once you are on a bike and rolling you are solely responsible for your safety and ride at your own risk.

- **Wear your cycling helmet at all times on a bike.**

Helmets and eye protection glasses are necessary for each rider, but they do not eliminate all risk of injury in the event of an accident.

- **You agree not to drink alcohol or use other drugs.**

If you are impaired we reserve the right to cancel your participation in the tour. There is no smoking allowed inside any National Park. This is a serious fire hazard for any forest area.

- **Abide by all reasonable requests & instructions from Central Coast Mountain Bike Tours representatives.**

Our tours are conducted in protected forest environments. Please familiarise yourself with the “Leave No Trace” principles and embody these principles whilst engaging in the activity.

- **You may encounter wildlife whilst riding off-road trails.**

Please do not approach or interact with wildlife. Safely stop your bike and slowly retreat to give the animal space. Your guide will provide information as part of the standard safety briefing.

- **You do not have any fitness, medical or physical conditions that would affect participation in the activity.**

In case of emergency, you authorise Central Coast Mountain Bike Tours P/L to arrange medical or hospital treatment (as deemed necessary) and you agree to pay for all the associated costs.
